

Hi everyone

June 22, 2021

Next Next Sunday (July 4<sup>th</sup>) will be our first worship service back inside our Sanctuary! (It can't be 15 ½ months already, can it?) Provincial Health Guidelines will still be in effect. Until Aug? Sept? I'm not sure...(Dr. Bonny) Masks. Hand Sanitizer. Social Distancing. Please stay home if you're the tiniest bit sick. We're hoping that by July 4<sup>th</sup> everyone will have had their second vaccine. Please come in the church in an orderly (!) fashion. Kind of like at the bank...no crowding. The offering plates will not be passed, there will be one at the sanctuary door for you to put your offering in. There will be a bulletin of some kind....help yourself. I'm not sure about singing yet, stay tuned. Certain spots in the pews will be taped off so we don't all sit in the same pew. In this faith community we could actually all have our own! There won't be a coffee time after the service, just yet. (I know- the reason most of you come to church)

I think that's it for now...

See you in church, hallelujah!

Brenda (PS - it starts at 10:00 am -in case you forgot)
