

We confess that our faith is often weak and compromised by our desire to seek control over our lives and our futures. The season of Epiphany reminds us there is light. When we walk in darkness, forgive us. ...*silent prayer.*

Grant us grace. Amen."

Invitation to Confession

Our prayer;

All: O God, we confess that our Christmas celebrations have been short-lived. In our return to the challenges of everyday life, we have lost sight of the Light that inspires us.

"The people who walked in darkness have seen a great light."

We confess that, focused on our own cares and troubles, we have become self-centered and neglect others who live in fear and without joy.

"God has increased the joy of all nations." *cont'd*
